

Book Fair Schedule

Our Scholastic Book Fair is coming soon! This year, there are some changes such as a new venue! The fair will be set up in the 1st floor west STEAM Commons in the new Middle School building. We are excited to have visitors in the space and will need to stick to assigned visiting hours in order to minimize disruptions to the ongoing classes. Please see the schedule for your Lower School child's scheduled visit. You are welcome to join your child at the assigned class visit time, after school until 3:45, or during the two special events on Mardi Gras and Valentine's Day.
