

The “Phonathon Bell” is the hallmark of the Parent Annual Fund phonathon. Every time a volunteer secures a gift over the phone they ring the bell. With every ring of the bell, Academy inches closer to the PAF goal. The more bells ringing, the greater the success and faster we get to the goal. Come join the fun and ring a bell for Academy as a phonathon caller. Our callers make a personal contribution by sharing their story with fellow parents and asking them to participate in the fund. No experience is necessary – we provide the script and the training. We serve warm food, cold drinks and provide a little token of esteem for everyone who volunteers. Above all volunteering is easy! Whether attending one night or both, callers cover as much ground as possible based on the time you are able to give – arrive and depart at your own convenience. Plus it’s a great way to meet and socialize with other parents.

Please join us on either or both Sunday, September 30th or Monday, October 1st between 6:00 and 8:30 pm. For more information on the phonathon or the Parent Annual Fund, contact Jo Linkner at JLinkner@holynamestpa.org or 813-839-5371 ext 268.
