

HIGH SCHOOL TEXTBOOK LIST 2019-2020

(updated 7-23-2019, new edition AP Hug books per publishers. Students who already purchased older edition do not need to make additional purchase. CPM instructions updated 8-8-2019)

The following includes information for high school students to purchase their textbook materials for the school year 2019-2020.

IMPORTANT

Please read this document very carefully prior to making your purchases to be sure you buy the correct content.

Digital textbook hyperlinks and certain print books that include digital content must be accessed from this document online. The specific ISBN's on this list are required for courses.

The book list is by department and includes the course ID, course name, and book title. If a course is not included on this list, students will receive information on how to access materials in class, as it may be optional or provided.

FRESHMEN AND NEW STUDENTS

- iBooks listed Purchase **after** receiving the school-issued HS Apple devices, typically a few weeks prior to the start of school. (Exception: Anyone taking a summer academic course that requires use of the devices will receive them the day the course starts.)
- All other digital textbooks including print/digital bundles Purchase **after** receiving the school-issued student email address. Student email addresses are sent to parents the beginning of July (Exception: Anyone taking a summer academic course that requires use of the devices will receive email information prior to the start of the course.)

ALL STUDENTS

- Students are encouraged to purchase titles as soon as possible. Students are expected to be prepared with materials the first day of classes.
- If there is a course change during the add/drop period, students are to purchase new content within 3 days of the change.

When reading the book list, please note, the "Select: Digital, Print, or Choice" column indicates if students must purchase the digital ISBN, print ISBN or if allowed to choose from either option.

Choice notation:

• <u>Students are encouraged to purchase digital when choice is listed</u>. This option is typically less expensive and more convenient. However, students may select print if this is more suited to their learning style. Only one purchase is required where choice notation is listed from either the Digital or the Print column.

Digital Link Column – with the following notations:

• **iBook** – Links should be accessed ONLY from the student's school-issued Apple device. Students may choose to purchase iTunes gift cards or add a payment card to their account in order to get the iBooks.

NOTE: Students should be logged in with their school-issued Apple ID and should not log into school devices with any other Apple ID.

- VitalSource Students should use their school email as the username during account creation and purchase. If you select a rental option, be sure it covers the course timeframe.
- Pearson Links are to the Pearson Private School Portal for Academy of the Holy Names. Enter the school zip code 33629, select our school, select the course from the drop-down menu, add the items to the cart and check out once selections are complete. Students will be able to access the digital content purchased when they are added to the teacher's online Pearson class at the start of school.
- VHL Students should use their school email as the username during account creation. Specific website purchase instructions are included at the end of this document.
- **CPM** Students should use the beginning part of their school email before the @ as the username during account creation.
- WebAssign Students should wait until receiving course ID information from their teacher to purchase the WebAssign license for the course. WebAssign offers a trial access for 10 days, so students will learn how to access content the first day of classes.
- **Courseware** Students will receive information at the start of class regarding how to purchase the content.
- Amount Payable to AHN The digital content can only be purchased by the school. Students should bring a check made payable to Academy of the Holy Names to class at the start of school.

Print Link Column:

- **Print books that do not include digital access** or one of the publisher notations listed above have a link to Amazon along with the ISBN. The school does not endorse Amazon, and you may purchase the ISBN listed from a vendor of your choice. The link is provided as a courtesy.
- **Print books that include digital access** must be purchased from the ISBN link on this document and have a notation of one of the following publishers: Pearson, CPM, or VHL.

The specific ISBN should be selected on the publisher's website. Students will not need to purchase both the digital and print ISBNs listed since that would be a duplication of digital licensing.

By selecting this link, the students will receive both the print and digital access. Students should select this choice only if they prefer to have both print and digital access.

• **Print books with Perfection Learning notation** have typically been available at a lower price directly from this vendor. However, you may purchase the specific ISBN from another vendor.

If a course is not listed, optional books will be on the syllabus or resources will be distributed in class.

VHL STORE INSTRUCTIONS - PURCHASING INFORMATION

 Parents create a VHL store account, select this link <u>https://vistahigherlearning.com/school/holynames</u>, click the CREATE AN ACCOUNT button (NOTE: This is just for purchasing- this is **NOT** the students VHL Central Supersite Account.)

- 2. Fill in the required account info & security questions (remember your password and username you will need it when checking out!)
- 3. Parents creating the account, select no when this dialog box appears.

- 4. Select the students course and specific ISBN according to the school's book list. Be sure to read the instructions on the course page. Check under both the Hardcover tab and the Codes and other materials tab to view all material options.
- 5. Select add to cart after selecting the ISBN(s) required for your daughters class.
- 6. Click 'Checkout'.
- 7. Read and accept the terms by clicking 'I understand and accept the terms' and you may be prompted to log into the account you just created. Use the Username and password you used earlier.
- 8. Enter your shipping information
- 9. Enter your payment info
- 10. Agree to terms and Conditions
- 11. Click 'Place Order'
- 12. You will receive a confirmation of payment on the next page once order is placed. The students code will also be listed and will be sent via email (to the person who created the account) Students should bring this code to class!
