# High School Students New to Academy of the Holy Names
# Consent Form - School issued Apple ID and educational accounts

Students new to Academy are issued a unique school Apple ID account. **Students may not use a personal Apple ID on the iPad and MacBook laptop used for school**.

Students will also be issued a school email, Google Apps access, and Overdrive account and other educational accounts for academic purposes.

**What is an APPLE ID?**
An Apple ID is the account used to set up your iPad and MacBook, as well for accessing Apple Services like the App Store, iTunes Store, iCloud and more.

**Goal:**
Empower students to manage and be responsible for their devices while minimizing the opportunities for them to access inappropriate or damaging content or information. Support collaborative and individual learning in support of 21st century learning goals.

- The school issued Apple ID is specific to each student and should not be shared with anyone else. The account allows student to install apps pre-paid from the school through the school's app store (Self-Serve) which will be installed on their device(s).

- Apple's terms and conditions for creating an Apple ID require users to be at least 13 years old, and to review and agree to the terms and conditions. By signing the Apple ID account signature section of the consent form below, students and parent/guardian are acknowledging agreement with Apple's terms and conditions.

**Expectations**

- Academy's mobile device management (MDM) software regularly collects an inventory of installed apps on the devices. This MDM allows Technology staff to see which apps are installed on the devices and allows for the search of specific apps regarding deployment and inventory. This may also be used as an investigative tool in response to specific concerns.

- Students should have no expectations of privacy for the content on their devices just as they do not for their lockers and desks. The Academy reserves the right to inspect the contents of a student's devices at any time and without any advanced notice.
